

INFINITY CLOUD LUMINAIRE

The **INFINITY CLOUD LUMINAIRE** is a squared ceiling fixture with a clean modern aesthetic for indoor locations. It's main point of difference compared with our standard Cloud fixtures is that these can be joined together for a virtually limitless combined length with minimal seamlines – perfect for long illuminated hallways or walkways without worrying about any conspicuous divisions between panels.

The **INFINITY CLOUD LUMINAIRE** can be surface mounted or suspended with either rigid poles or aircraft cabling. Available in glossy and matte finish options.

Suitable for the following applications:

Hospitality

Commercial Interior

Restaurants

Bar

Residential

Retail

Healthcare
