

INSTALLATION

Sky Luminaire in T-Grid ceilings

THE SKY LUMINAIRE USES A FRAME STYLE THAT INCLUDES A LIP ON IT TO HOLD IT IN PLACE BY GRAVITY ALONE WHEN AN INSTALLER LAYS IT INTO A T-GRID CEILING TILE SPACE:

STEP 1: LAY PANEL INTO T-GRID

INSTALLATION

Sky Luminaire in T-Grid ceilings

STEP 2: FOR ADDITIONAL
SAFETY, SUSPENSION
MOUNTS MAY BE ADDED

Secure mounts to ceiling.

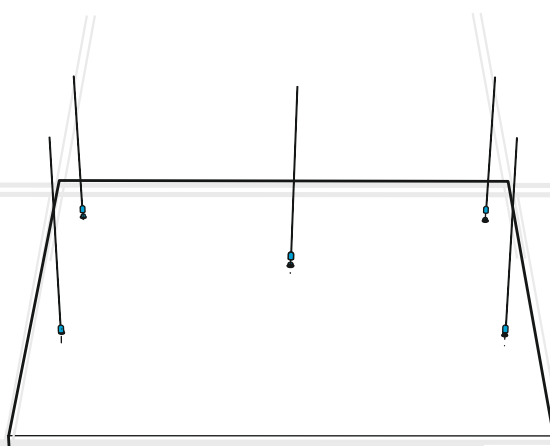

Screw the threaded endcaps on the aircraft cables to the panel by
attaching them to the pre-installed, threaded stubs on the back of
the panel.
